The attached material relating to the recommendation submitted by the Chief, Assessment and Evaluation Staff, Office of Training, is forwarded for further consideration. It is suggested that the Honor Awards Board consider the accomplishment of the group as covered in reference a and determine whether or not the accomplishment warrants individual awards as recommended. In making this determination the Board can assume that if individual recommendations are submitted the justification for each one will be almost identical to the justification in reference a. If it is determined that awards are justified, the Office of Training will be requested to submit individual recommendations.
